Dear Welcome Home Friends and Family,

This month has been very busy for the all the senior staff at WH as we have had 6 adoption families there at the same time going back and forth to the lawyers and Court in Kampala. It is joyous but sad at the same time to see the children move on to their new forever families. These have no future other than adoption or long term orphanage unlike **Ivan** pictured above left who was able to return home to his mother.

More staff(all-Ugandan) **John** our in-house pastor also runs the village ministry. **Joy** does a great job loving our, tiny, frail and sickly, at risk, abused, and emotionally wounded kids.

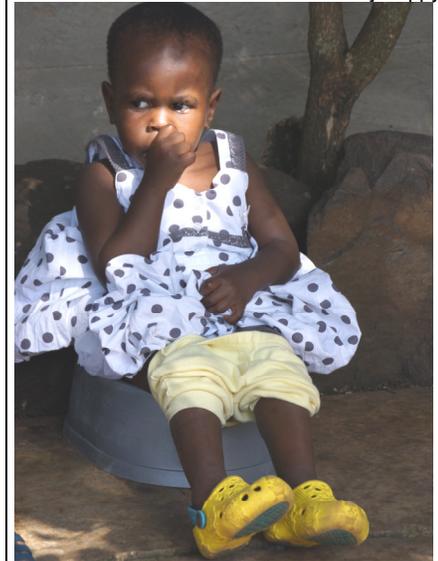

Our 2 water tanks (each 2000L, 528gal) lasted 7 years and had to be replaced (\$2000) because of sun damage splitting.

We are very thankful for your faithful support as without your help our ministry would not be there for the children.

Blessings from Your Welcome Home Family
