Dear Welcome Home Friends and Family,

February was back to school for our children. Some of the children were excited to be catching a bus and others are walking to their new school. It is a really big deal in a 3rd world country to be able to go to school. A good education is a way up for our children so we are trying our best to give them a foundation for a good future. Much of our day is spent stimulating their minds from very young up.

We are pleased to announce that we have a new adoption agency so some of our adoptions that had been delayed are now getting back on track. We do covert your prayers for the Judges handling our cases so that they have time to work on them. They are itinerate Judges so they have a full load.

Thank you all so much for partnering with us.

Blessings from Mandy, and Your Welcome Home Family.
