Dear Welcome Home Friends and Family,

Happy New Year to all!! We look forward to another year of the Lord's goodness poured out to our children and staff. We enter this New Year very thankful for your faithfulness since Welcome Home began in 1995. Literally many hundreds of children from dire circumstances have been given new life at Welcome Home. Thousands of young lives have also been deeply touched and transformed by the village teams because of your generous and faithful support..

In Uganda we have a good solid staff running the home. Each month we are featuring pictures of the staff leadership so you know who to pray for. **We are very proud to be able to say that Welcome Home is run by Ugandans.** We say "Thank you" to those who have come from all over the world and invested into the lives of our children and training of the staff. We could not be where we are today as a ministry without your partnership. We really appreciate you all!!

Above Mandy with Lauren and Delmar Stoltzfoos, they worked at the home for 6 months and stood out as volunteers with big hearts and good understanding of the ministry. At the end of Mandy's April 2012 trip they asked if they could come back and work at the home again for several years. Mandy has been on the "watch" for someone **young enough** with a heart and commitment for ministry to train up to take her place as managing director. They were surprised with the opportunity it but was in line with the vision they have had in their hearts for a long time. After much consideration and prayer Delmar and Lauren flew to California for a week in November to the home base of the ministry. They flew home after the mutually agreeable time, to work in Public Relations and will transition over the next years as they learn the ropes to become the directors. They will be based in the USA as volunteers doing the same work that Mandy has been doing with trips to Uganda also arranging teams to visit.

Again, thank you for your faithful and generous support.

Blessings from Your Welcome Home Family
